B. I. W. 35-2.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Hardware Materials required for the Intermediate College, Bangalore" with the above enquiry number.

This enquiry will be closed on the 10th December 1935.

To

*The Firms dealing in Telephone Cables.*

*Enquiry No.* 1650.

UNDERGROUND TELEPHONE CABLES AND JUNCTION BOXES.

GENTLEMEN,

Please quote your best prices and earliest time of delivery for the following materials :—

Item I.—Underground multi-conductor telephone cable, paper insulated, lead-covered, jute served, steel tape armoured and again served with two layers of jute capable of being laid directly in the ground, of the following capacities. The conductor to be of 10 lb. size :—

(*a*) 10 miles of 100-pair cable.
(*b*) 3 miles of 75 ,,
(*c*) 10 miles of 50 ,,
(*d*) 11 miles of 25 ,,
(*e*) 16 miles of 10 ,,

*N.B.*—If the above sizes are considered un-standard, the nearest standard sizes may also be quoted for as alternatives.

Item II.—Out-door type Junction Boxes for use at the terminal of the multi-conductor telephone cable of 10 lbs. size of the following capacities. These junction boxes should be weather-proof.

Alternative quotations should also be submitted for terminal boxes *without* lightning protection and fuses and terminal junction boxes *with* lightning protection on each feeder without fuse arrangements.

(*a*) 10 Junction Boxes suitable for 100-pair cable.
(*b*) 10 Junction Boxes suitable for 50 ,,
(*c*) 10 Junction Boxes suitable for 30 ,,
(*d*) 20 Junction Boxes suitable for 20 ,,

Detailed specifications for the materials should be furnished in your tender. In the case of the cable, details pertaing to thickness of insulation, lead sheath and steel tape armouring should be furnished. As regards the Junction Boxes, sketches and photographs, if available, should be sent. The tenders are liable to be overlooked in the absence of particulars referred to above.

The prices to be quoted should be for delivery, c.i.f., Madras.

For materials to be manufactured in Germany, the prices should be in Reichs Marks and in case such prices are accepted, payment will be arranged through the Reichs-Kredit-Gesellschaft, Berlin, from out of the Mysore Government money, being the realizations on account of the sale of our sandal oil in that country.

This enquiry will close on the 15th January 1936.

Yours faithfully,
V. VEDAVYASACHARYA,
*Secretary,*
*Stores Purchase Committee*
